Incredible journey of your child guided by Inspiring educators and Innovative pedagogy

VISION:

Next Gen International School & its team envisions a community where every child is provided opportunities to nurture his/her unique human potential through transformation of teaching dynamics, assessment modes and imparting holistic & futuristic education. NGIS visions to be in forefront of schooling for the next generation children & bettering humanity.

MISSION:

Next Gen International School prepares the child with intellectual, physical, cultural and artistic skills in a stimulating environment. NGIS provides a balanced education of academics, co-curricular, extra curricular & outdoor curriculum. By empowering the teachers to positively transform themselves & parent orientations on the future of learning & education; Students, Teachers, Parents & the whole community would be impacted to ensure that every child is accepted, appreciated, nurtured & challenged according to their individual needs.

MOTTO: Conquest by Compassion

Strong Roots . . . Strong Shoots:

The stronger the foundation, the stronger would be the structure that it holds, not only for a building but also for a child's personality.

NGIS Management established Kennedy School, Guntur, which has been educating thousands of students with wholesome & quality education since 1981. To provide more child centric activities & introduce futuristic learning, Next Gen Kids was launched at Arundelpet, Guntur in 2009. With its success & parents desire, Next Gen Kids at RajendraNagar, Guntur was launched in 2014.

As Next Gen Kids have been successful in giving the best foundation for the child at Primary Schooling, the management came up with a full school along with Boarding facility – Next Gen International School at Ongole in 2015 in a 12 Acre serene campus. Soon, NGIS Ongole has been the Most Awarded School of the state, having accoladed by numerous organisations as the Most Emergent School, Best Boarding, Top Sports Education, etc

NGIS, Guntur has been thought of in 2016, to be very unique with educationally enriching ambience and in 2019, it has become a reality with the state-of-the-art amenities, inspired from Finnish School Architecture, developed by professionals from Chennai & Bangalore

NGIS is not just another school or franchisee, it is an Evolution of Futuristic School

Inspiring . . . Guiding . . . Leading :

Where there is great leadership, there is everything that can make a difference

The mentors foster independence of mind and spirit through kindly guidance and nurturing under the leadership of the management with over 4 Decades of Educational Experience.

While the **Founders** of Kennedy School, **Mrs. K.B. Savitri & K. Narayana Rao** continues to inspire & guide, **Chief Learning Officer Dr. SreeVidya & Director Sreekanth Koganti** takes the onus of leading NGIS towards its Vision.

Srikanth Kolasani, Chief Operating Officer along with Principal **Mr. Sudhir Krishnan**, Senior Coordinators **Mrs. Sita Satya, Mrs. Lakshmi Gayatri, Mrs. Aparna & team** ensures NGIS is on the right path of its Mission.

The management is well supported by the **Next Gen Educational Society President Dr. Muralidhar Reddy, Mrs. Aravinda** along with other Board members & Advisors.

Highly skilled, qualified & experienced educators (teachers) are taken from different parts of the country. All our Educators undergo continuous professional development trainings. They possess an attitude of being lifelong learners and have the will & ability to 'unlearn & relearn' to quickly adapt to the future of schooling.

Cambridge International School

We are proud to be part of the world's largest international community of schools.

While there are around **700 Cambridge International Schools in India** (Over 10,000 schools in 160 countries worldwide), there are only 12 in Andhra Pradesh and around 50 in Telangana. Of the 12 schools in AP, 5 are in Vizag region, 5 in Guntur & Vijayawada region and one each in Rajahmundry & Kurnool.

NGIS received the Cambridge Registration in a shorter span than most other schools in the country (which is possible only if we meet the Cambridge standards & expectations in terms of our Vision & Mission, Management, Staff, Infrastructure, Curriculum, Safety & Hygiene, etc). Also, **NGIS, probably has the least fee amongst all the Cambridge International Schools**

You can find more details about Cambridge on their website www.cambridgeinternational.org

ENTREPRENEURSHIP & INNOVATION

Every year during summer vacation, our children take the entrepreneur avatar. They come up with a business idea and the school seed funds the business. Some projects they took up were building a Go Kart from scratch, worked on building a drone, ran a boutique etc. Our aim is to inculcate the entrepreneurship spirit in our children.
