EMI Facility - You can avail monthly payment options (8 EMIs) without any charges through our 3rd party facilitator **GrayQuest**, additional cost incurred & processing charges are absorbed by the School. If you would like to opt for this facility please reach 8886398436 for more information.

School Account Details:

Next Gen Blossoms Educational Society

Bank: Axis Bank, BhagyaNagar, Ongole

Acct No: 915010010726147 IFSC code: UTIB0000293

We recommend payments to be made to the school account through direct bank transfer, Phonepe, G Pay, School Mobile App etc.

Dear Parent,

- Tuition Fee **includes** Academics, Internal Assessments, Library, Science Lab, ICT Lab, ATL Lab, Co-Curricular & EC Activities like Quiz, Debate, Art, Dance, Indoor Games - Chess & Carroms, Outdoor Games - Basketball, Volleyball, Football, Athletics, Yoga, Local Field Trips, Campus facilities like AC, RO Drinking water, bookshelves in classroom.
- Activities like Swimming, Skating, Rifle Shooting, Obstacles, Horse Riding, etc are imparted to all the students optionally (age relevant), without any additional fee during the school hours, and interested students have to procure relevant costumes, footwear, etc. Outside Trips & Picnics (within district), Instrumental Music, LeaderInMe, etc third party programs are also imparted to all.
- Installment Fee **is exclusive of** Books, Uniform, Transport, Food or any other optional activities and after school activities, any makeup & costumes during the events. **Please note that the BookSet will be issued only after the payment of the 1st installment.**
- **At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure.** Probably, NGIS has the lowest fee of all the similar schools in the country with such facilities & faculty.
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too. **Please note that there would be an annual fee hike of up to 10%** (may seem to be more when shifting to a higher slot, for example, while shifting from 2nd to 3rd or 5th to 6th etc), though the avg fee hike has never been more than 7% till date.
- In case, fee payment in an academic year is delayed over 60 days from the due date, the students would not be allowed to continue in the school the following year, unless the whole year fee is paid at the beginning of the next academic year.
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly or from the school mobile app. **Kindly ensure to take the receipt immediately, for any cash transactions.** The entire school fee paid is accounted for and proper receipts are given. Please ensure that the receipts are taken for the entire amount paid without fail. **Please note the cheque bounces will be viewed very seriously and there would be a bounce charge of Rs.1000 for the unhonoured cheques.**
- Online payment confirmations have to be shared with the accounts' team, along with the student name and grade, to ensure a smooth reconciliation of the payments.
- **Kindly, do not embarrass us by requesting concessions or bringing recommendations. Receiving obligations from the authorities would be considered as devaluing our work and insulting us.**
- Please note that it is the **responsibility of the parent to pay the fee in time** and support the school in its smooth functioning. If interested, one may avail the EMI facility with no additional cost (with the third party institution that the school has associated). In case of a genuine need for delay in payment or concession, parents may request for the same in writing, which would be discussed by the management & possible support would be extended (based on their past payment history and present need).

* I have read and understood the fee policy and agree to adhere to it (ticked all boxes)
