Dear Parent,

- Tuition Fee mentioned above **is inclusive of** Academics, Co-curricular & EC activities - Internal Assessments, Library, Labs, Art & Craft, ATL, Dance, Music, Physical & Sports Education including Indoor & Outdoor Games, Local Field Trips, Campus facilities, Events & Celebrations (in school), etc.
- Swimming, Skating, Rifle Shooting, Horse Riding coaching, Foreign language as hobby language, etc are imparted to all the interested students (age relevant) without any additional fee during school hours (students have to procure relevant costumes & material).
- Tuition Fee **is exclusive of** Books, Uniform, Transport, Food or any other optional activities and after school activities.
- **At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure.** Probably, NGIS has the lowest fee of all the similar schools in the country with such facilities & faculty.
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too. Please note that there would be a fee hike of up to 10% every year (although the avg fee hike has never been higher than 6% till date)
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly. The entire school fee paid is accounted for and proper receipts are given. Kindly ensure to take the receipt immediately, particularly for cash transactions. Please note the cheque bounces will be viewed very seriously and there would be a **bounce**

charge of Rs.1000 for the unhonoured cheques.

- **Please note that it is the responsibility of the parent to pay the fee in time and support the school in its smooth functioning.** And not the school's duty to keep reminding about the due dates. If interested, one may avail the EMI facility with no additional cost (with the third party institution that the school has associated with).
- **Kindly don't embarrass us by asking concessions or bringing recommendations. Receiving obligations from the authorities would be considered as devaluing our work and insulting us.** In case of a genuine need for delay in payment or concession, parents of old students may request for the same in writing, which would be discussed by the management & possible support would be extended (based on their past payment history and present need).
- In case of students opting for transport or lunch & snacks for a limited period of time, the above total fee is considered for 10 months and is calculated on a pro-rata basis for the opted period.
- Transport: Please note that the Buses ply on the main roads & no door step service is provided. Our fleet of buses have CC cams & GPS etc. Please note that though due care is taken, there may be unforeseen circumstances when the Cams or GPS, etc may not be working during a few instances.
- F&B: Hygienic vegetarian snacks and lunch would be served as per the menu designed by the nutritionists.

* I have read and understood the fee policy of the NGIS and agree to adhere to it without fail
