(P.T.O.)

Dear Parent,

- Tuition Fee mentioned above **is inclusive of** Academics, Co-curricular & EC activities - Internal Assessments, Library, Labs, Art & Craft, Robotics, Life Skills program, Dance, Instrumental Music, Physical & Sports Education including Indoor & Outdoor Games like Chess, Carroms, TT, Shuttle, Basketball, Volleyball, Yoga, etc, Local Field Trips, Campus facilities, Events & Celebrations (in school), etc.
- Swimming and Skating coaching is imparted to all the interested students without any additional fee during school hours (students have to procure relevant costumes & material).
- Tuition Fee **is exclusive of** Books, Uniform, Transport, Food & Special Sports (like Rifle Shooting, Squash), any other optional activities and after school activities.
- Enrollment Fee: For Siblings (2nd/3rd child) is 50% and for transferring students from Kennedy / NGK's is Nil.
- At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure. Probably, NGIS has the lowest fee of all the International schools in the country (true international curriculum schools in India are around 550 Cambridge affiliated & 200 IB affiliated schools, of which only around 15 are in AP).
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too. Please note that there would be a fee hike of up to 10% every year.
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly or from the school mobile app. The entire school fee paid is accounted for and proper receipts are given. Kindly ensure to take the receipt immediately, particularly for cash transactions. Please note the cheque bounces will be viewed very seriously and there would be a **bounce charge of Rs.1000** for any unhonoured cheques.
- Please note that it is the responsibility of the parent to pay the fee in time and support the school in its smooth functioning. If interested, one may avail the EMI facility with no additional cost (with the third party institution that the school has associated with).
- Kindly don't embarrass us by asking concessions or bringing recommendations. Receiving obligations from the authorities would be considered as devaluing our work and insulting us.** In case of a genuine need for delay in payment or concession, parents of old students may request for the same in writing, which would be discussed by the management & possible support extended (based on their past payment history and present need).
- In case of students opting for transport or lunch & snacks for a limited period of time, the above total fee is considered for 10 months and is calculated on a pro-rata basis for the opted period.
- Transport: Our fleet of buses is air-conditioned, customized with pneumatic doors, curtains, fans, CC Cams, seat belts and GPS etc. Please note that though due care is taken, there may be unforeseen circumstances when the AC or GPS, etc may not be working during a few instances. Please note that the Buses ply on the main roads & no door step service is provided.
- F&B: Hygienic vegetarian snacks and lunch would be served as per the menu designed by the nutritionists.

* I have read and understood the fee policy of the NGIS and agree to adhere to it without fail
