- Enrollment Fee: For Siblings (2nd/3rd child) and for transferring students from Kennedy / NGK's is 50% (For Students admitting into 7th from NGK / 6th from RNGK - Nil)
- At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure. Probably, NGIS has the least fee of all the International schools in the country (true international curriculum schools in India are around 550 Cambridge affiliated & 200 IB affiliated schools)
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too. **Please note that there would be an annual fee hike of up to 10%** (may seem to be more when shifting to a higher slot). In case, fee payment in an academic year is delayed over 60 days from the due date, the students would not be allowed to continue in the school the following year, unless the whole year fee is paid at the beginning of the next academic year.
- The entire school fee paid is accounted for and proper receipts are given.
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly or from the school mobile app. **Kindly ensure to take the receipt immediately, for any cash transactions. Please note the cheque bounces will be viewed very seriously and there would be a bounce charge of Rs.1000 for the unhonoured cheques.**
- Please note that it is the **responsibility of the parent to pay the fee in time** and support the school in its smooth functioning. If interested, one may avail the EMI facility with no additional cost (with the third party institution that the school has associated)
- Kindly, do not embarrass us by requesting concessions or bringing recommendations. Receiving obligations from the authorities would be considered as devaluing our work and insulting us.** In case of a genuine need for delay in payment or concession, parents of old students may request for the same in writing, which would be discussed by the management & possible support extended (based on their past payment history and present need).
- In case of students opting for transport or lunch & snacks for a limited period of time, the above total fee is considered for 10 months and is calculated on a pro-rata basis for the opted period.
- Transport:** Our fleet of buses is air-conditioned, customized with pneumatic doors, curtains, fans, CC cams, seat belts and GPS etc. Please note that though due care is taken; there may be unforeseen circumstances when the AC or GPS, etc may not be working on a few instances and delays during unexpected breakdowns or maintenance. Please see the Transport Routes and Policy and adhere to it if opted.
- F&B:** Hygienic vegetarian snacks and lunch would be served as per the menu designed by the nutritionists.

* I have read and understood the fee policy and agree to adhere to it (ticked all boxes)
