- At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure. Probably, NGIS has the least fee of all the International schools in the country (true international curriculum schools in India are around 650 Cambridge affiliated & 200 IB affiliated schools)
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too. **Please note that there would be an annual fee hike of up to 10%** (may seem to be more when shifting to a higher slot).
- In case, fee payment in an academic year is delayed over 60 days from the due date, the students would not be allowed to continue in the school the following year, unless the whole year fee is paid at the beginning of the next academic year.
- The entire school fee paid is accounted for and proper receipts are given. Please ensure that the receipts are taken for the entire amount paid without fail.
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly or from the school mobile app. **Kindly ensure to take the receipt immediately, for any cash transactions. Please note the cheque bounces will be viewed very seriously and there would be a bounce charge of Rs.1000 for the unhonoured cheques.**
- Online payment confirmations have to be shared with the accounts' team on **8886679995** (WhatsApp) along with the student name and grade, to ensure a smooth reconciliation of the payments.
- **Kindly, do not embarrass us by requesting concessions or bringing recommendations. Receiving obligations from the authorities would be considered as devaluing our work and insulting us.**
- Please note that it is the **responsibility of the parent to pay the fee in time** and support the school in its smooth functioning. If interested, one may avail the EMI facility with no additional cost (with the third party institution that the school has associated). **In case of a genuine need for delay in payment or concession, parents may request for the same in writing, which would be discussed by the management & possible support would be extended (based on their past payment history and present need).**
