Dear Parent,

- Tuition Fee includes Academics, Internal Assessments, Library, Science Labs, ICT Lab, ATL Lab, Co-curricular & EC activities like Quiz, Debate, Dance, Art, Indoor Games - Chess & Carroms, Outdoor Games - Basketball, Volleyball, Football, Athletics, Yoga, Local Field Trips, Campus facilities like AC, RO Drinking Water, etc.
- Swimming, Skating, Rifle Shooting, Horse Riding coaching ,etc are imparted to all the interested students (age relevant) without any additional fee during school hours (students have to procure relevant costumes & material).
- Installment Fee **is exclusive of** Books, Uniform, Transport, Food or any other optional activities and after school activities, any make up & costumes during the events. Please note that the BookSet will be issued only after the payment of the 1st installment.
- At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure.** Probably, NGIS has the lowest fee of all the similar schools in the country with such facilities & faculty.
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too. **Please note that there would be a fee hike of up to 10% every year** (may seem to be more, when shifting to a higher slot, for example, while shifting from 2nd to 3rd or 5th to 6th etc), though the avg fee hike has never been more than 7% till date.
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly. **The entire school fee paid is accounted for and proper receipts are given.** Kindly ensure to take the receipt immediately, particularly for cash transactions. Please note the cheque bounces will be viewed very seriously and there would be a **bounce charge of Rs.1000** for the unhonoured cheques.
- Please note that it is the responsibility of the parent to pay the fee in time and support the school in its smooth functioning.** And not the school's duty to keep reminding about the due dates. If interested, one may avail the EMI facility with no additional cost (with the third party institution that the school has associated with).
- Kindly don't embarrass us by asking concessions or bringing recommendations. Receiving obligations from the authorities would be considered as devaluing our work and insulting us.** In case of a genuine need for delay in payment or concession, parents of old students may request for the same in writing, which would be discussed by the management & possible support would be extended (based on their past payment history and present need).
- In case of students opting for transport or lunch & snacks for a limited period of time, the total fee is considered for 10 months and is calculated on a pro-rata basis for the opted period.
- Transport:** Please note that the Buses ply on the main roads & no door step service is provided. Please note that though due care is taken, there may be unforeseen circumstances when the Cams or GPS, etc may not be working during a few instances and delays during unexpected breakdowns or maintenance. Please see the Transport Routes and Policy and adhere to it if opted.
- F&B:** Hygienic vegetarian snacks and lunch would be served as per the menu designed by the nutritionists.

*** I have read & understood the fee policy and agree to adhere to it properly (ticked all boxes)**
