- **Kindly, do not embarrass us by requesting concessions or bringing recommendation. Receiving obligations from the authorities would be considered as devaluing our work and insulting us. In case of a genuine need for delay in payment or concession, parents of old students may request for the same in writing, which would be discussed by the management & possible support extended (based on their past payment history and present need).**
- At NGIS, we take pride in having the best faculty, curriculum, activities & facilities, with a very reasonable fee structure. Probably, NGIS has the least fee of all the similar comparable schools in the country
- NGIS also takes pride in a transparent & equal fee and is one of the few schools, which publishes its fee openly & on the website too.
- The entire school fee paid is accounted for and proper receipts are given.
- For the convenience of those parents who wish to pay by cash, we accept cash transactions at the school office, though we strongly encourage payments by transfer to the school bank account directly or from the school mobile app. Kindly ensure to take the receipt immediately, particularly for cash transactions.
- Please note that it is the responsibility of the parent to pay the fee in time and support the school in its smooth functioning. If interested, one may avail the EMI facility with no additional cost (with the third-party institution that the school has associated with)
- In case of students opting for transport or lunch & snacks for a limited period of time, the above total fee is considered for 10 months and is calculated on pro-rata basis for the opted period.
- Transport: Our fleet of buses are well maintained and installed with GPS systems. Please note that though due care is taken, there may be unforeseen instances where the GPS isn't working etc.
- F&B: Hygienic vegetarian snacks and lunch would be served as per the menu designed by the nutritionists.
